ODP 82-1848

29 DEC 1982

MEMORANDUM FOR: Director of Communications

FROM: Bruce T. Johnson
Director of Data ProcessingSUBJECT: Establishment of ADP File Encryption Working
Group [redacted]REFERENCE: Memo from D/OC dtd 21Dec82, Subj: Same as
above, OC-M82-2113 (ODP 82-1832)

1. The Office of Data Processing (ODP) is pleased to accept your invitation to participate in an ADP file encryption working group. As you know, ODP is very interested in making commercial cryptographic systems and techniques available to our users to improve compartmentation and privacy of information. We would like to do this with as little bureaucratic hassle as possible while maintaining our current high standards for security. You can expect our enthusiastic support of the working group. [redacted]

2. ODP's primary representative is [redacted]
[redacted] His alternate is [redacted]

[redacted] may contact them directly on working group business.

Bruce T. Johnson
